## 35th Annual Meeting of the European Bone and Joint Infection Society 1-3 September 2016, Oxford, United Kingdom

### WELCOME

Dear colleagues,

It is a great honour to host and organise the 35th Annual Meeting of the European Bone and Joint Infection Society in Oxford, United Kingdom, 1-3 September 2016.

The conference will be held in the historic Examination Schools in the centre of Oxford which we believe will give you a great opportunity to enjoy the city while also experiencing an interesting and stimulating conference. You will be able to visit many of the famous attractions in Oxford and we have arranged social events in prestigious venues around the city and University.

EBJIS is dedicated in the battle against infections in the musculoskeletal system and appeals not only to orthopaedic surgeons but also to microbiologists, plastic surgeons, infectious disease specialists, molecular biologists and material science specialists. Each year the annual EBJIS Conference grows bigger and gathers more than 500 participants from all over the world.

This year the conference will focus on patient management and particularly on how we can improve treatment and outcomes for these unfortunate people. The programme will be provided with keynote lectures, interactive workshops, free paper sessions, topic symposia and posters.

The principle topics for EBJIS 2016 are:

- Perioperative Care of the Infected Patient
- Osteo-articular Infection of the Foot and Ankle
- Novel Molecular and Imaging Tests in Bone & Joint Infection
- Treatment Approaches to Early and Late Prosthetic Joint Infections
- Optimizing Outcomes in Osteomyelitis
- Soft-tissue Management in MSK Infections
- Infection Networks and Registries

We hope the scientific programme will be of value to increase your knowledge, improve your future clinical work and build your friendships in the Society.

We look forward to welcoming you to Oxford.

On behalf of the local organising committee and EBJIS board,

Martin McNally, *Local chair*

Klaus Kirketerp-Mølller, *President of EBJIS*

## EXHIBITION

6 Sqm, £ 1.500

To ensure maximum interaction between exhibitors and participants, lunch breaks and coffee breaks will take place in the exhibition area. The allocation of the stand sites will be handled strictly on a first come, first serve basis, with priority given to partnership packages.

- Publication of the company name with linkage to the company website on the congress website
- One conference bag with the final programme
- Participant list on arrival at the conference

### INCLUDES

- Exhibition floor space (floor space only. No shell scheme, furniture, carpet etc. included)
- Two free exhibitor registrations per 6 sqm stand
- Lunch and coffee
- Acknowledgement as an exhibitor in the programme with logo and contact information

### EXHIBITOR REGISTRATION

Each exhibiting company will have two free exhibitor registrations per 6 sqm stand. The exhibitor registration fee is £ 100 per person (excl. VAT) when registering more exhibitors than what is included with the stand. The maximum total number of exhibitor badges per company (free + paid) may not exceed 4 badges. Excess personnel must be registered as participants.

## OTHER SPONSORSHIP OPPORTUNITIES

### SATELLITE SYMPOSIUM

Boost your company's exposure and brand recognition and present your clinical data by hosting a Satellite Symposium. Contact us for information about time slots.

#### Marketing recognition:

- Logo with a link to the company website and programme of the symposium with topics and speakers' names, published on conference website.
- Announcement of the symposium in the preliminary (only web) and final programme (as per date of printing).
- Leaflet / folder announcing the Satellite Symposium (produced by the sponsoring company) in the conference bag.

### FOCUS GROUP

**(1,5 hours) – £ 7.000**

Focus groups give companies a chance to ask experts/key opinion leaders their opinion in a closed forum and are interesting for companies, who:

- Are about to launch a new product
- Are new to the European market and need feedback on their existing products
- Would like to establish contact to key opinion leaders
- Are interested in feedback on products or clinical studies

A focus group at EBJIS 2016 has the advantage that you do not need to fly in and accommodate a group of 8-10 persons, as all key opinion leaders are present at the conference. This makes the focus group a cost effective tool to get feedback and promote your product towards key opinion leaders.

### CONFERENCE BAGS

**£ 1.500**
